Types of Loan

There are several different types of loan available for Graduate Students to help cover college costs.

Federal Unsubsidized Loan

Federal direct loans consist of low-interest unsubsidized loans (interest accrues while in school); these are financed by the U.S. Department of Education. The maximum annual unsubsidized loan amount is $20,500.

Federal Graduate PLUS Loan

These loans are available to graduate students enrolled at least half time (4 units) who have borrowed the maximums from Direct Unsubsidized loans. The borrower (you) and the UCLA Financial Aid and Scholarships office work with the Department of Education (ED) to complete the loan process and deliver loan funds to you.

Private Student Loans

Private loans are offered by lenders independently of the Department of Education. Private loan interest rates are credit-based and repayment options will vary. Private loans are best utilized only if eligibility for Federal Direct Loans has already been exhausted. For detailed private loan information, please see out private loan guide on the Forms and Publications page of our website.

How To Apply

Unsubsidized and PLUS loans

Students who submit a FAFSA will receive notification of their loan eligibility on their Financial Aid Notification (FAN) on MyUCLA.

Loans must be accepted via the student’s FAN. First time borrowers must also complete a Master Promissory Note and a Debt Management session. Direct loans will not disburse until these have been completed.

If you wish to borrow less than the loan amount offered to you, indicate the amount you want to borrow in the space provided on the FAN. If you do not need all of the loans offered to you, you should utilize your full unsubsidized loan eligibility before accepting any Graduate PLUS loan.

PLUS Loan Credit Requirements

A Federal Direct Graduate PLUS Loan applicant is considered to have an adverse credit history if he or she:

- Is 90 or more days delinquent on any debt as of the date of the credit report, or

- Has unpaid collection accounts and/or charge-offs as of the date of the credit report.

Approval on Appeal or with an Endorser:

Borrowers who have adverse credit but are approved for a Direct Parent PLUS Loan as a result of appealing the credit decision or applying with an endorser are subject to a new counseling requirement. This new PLUS credit counseling module must be completed at www.Studentloans.gov.

Unsubsidized and PLUS Loan Documents

- For First time Borrowers only.

1. The Debt Management Session is completed on the UCLA Loan office website www.loans.ucla.edu/Debt-Management

2. The Master Promissory Note is completed at: https://studentloans.gov/myDirectLoan
