2018-2019 PETITION FOR INDEPENDENT STATUS

Student Name: Last First UID#

Please check this box if you will be enrolled at UCLA for Summer 2018.

Please only submit this petition if you have already completed and submitted your FAFSA or Dream Act application. If your Petition for Independent Status is approved by the office of Financial Aid and Scholarships, UCLA will submit a dependency override to the Federal Processor or CSAC on your behalf. If your petition is denied, you will be instructed to provide parental information on your FAFSA or Dream application.

Students classified as dependent may file this petition to be reclassified as independent based upon adverse family conditions which make obtaining your parents' FAFSA or Dream application information impossible. In order for your appeal to be approved, you must be able to document that all financial and emotional contact with your parents has been severed as a direct result of the adverse family condition. Please complete all steps as outlined in this form and return it to the office of Financial Aid and Scholarships for processing. *If your appeal for independent status was approved by UCLA in the past, you do not have to resubmit copies of documentation already in your file.*

Examples of eligible circumstances include:

- Severe estrangement from parents
- An unsafe domestic environment
- Unknown whereabouts of parents

Examples of non-eligible circumstances include:

- Financial hardship
- Parents' desire NOT to provide financial support to the student
- A student's ability to be self-sufficient
