After reviewing your special circumstances documentation, your aid package may remain the same, increased or decreased based on the financial information that has been submitted.

Examples of special circumstances under PJ may include but are not *limited to:

- Loss of full-time employment or other income (SSI benefits, unemployment).
- Loss of income due to divorce, legal separation, or death of spouse.

If your household income has recently decreased, we may be able to reevaluate your financial position using *Projected income* (2026 income & tax year information). Please only submit this petition if you have already completed and submitted your 2026-2027 FAFSA or Dream Act application. You will be notified via email if your appeal was approved or denied.

***Self-employment “Schedule C” or “Schedule E” Primary sources of income earned through self employment are not allowed for evaluation in projecting 2026 income if the business remains operational.
