## UCLA Financial Aid Disbursement Schedule 2024-25

Updated May 1, 2024

The term *disbursement* is used to describe the process of crediting all student aid funding (including student loans) within the UCLA Financial Aid Management System to students [UCLA BruinBill](#). Disbursement dates are determined by federal regulations and UCLA policies.

A *disbursement* is different than a *refund*. Student aid funding disbursements (including student loans) are managed by UCLA Financial Aid & Scholarships, whereas financial aid refunds are managed by UCLA Student Accounts. UCLA Student Accounts provides a helpful [Student Billing Calendar](#) online.

Disbursement transactions begin for the term or month on the evening of dates indicated below. Any student aid funding awarded after the indicated commencement date will disburse each night thereafter, except on weekends and University holidays.

*Students may view credits to their account on their [BruinBill](#) the following morning AFTER disbursement commencement date.* Disbursements are applied to unpaid charges before becoming eligible for refund. Unapplied credits are then processed for refund based on a student's enrolled refund [method](#).

Students are highly encouraged to enroll in [BruinDirect](#) as this refund method will deposit funds to their enrolled bank account as early as 2-3 business days after disbursement date during regular academic year terms.

BruinDirect refunds are initiated each business day for regular session terms, whereas refunds initiate each Friday for Summer Sessions. Those not signed up [BruinDirect](#) will be mailed a paper check produced on a weekly basis and relies on the accuracy of address information provided to UCLA.
