## UCLA Financial Aid Disbursement and Refunding Schedule: 2023-24

The term disbursement is used to describe the process of crediting financial aid awards in the UCLA Financial Aid Management System to students [UCLA BruinBill](#). Disbursement dates are determined by federal regulations and UCLA policies.

A disbursement is different than a refund. Financial aid disbursements are managed by UCLA Financial Aid & Scholarships, whereas financial aid refunding is managed by UCLA Student Accounts. UCLA Student Accounts provides helpful information about [refunds](#) and a [Student Billing Calendar](#) online.

Disbursement transactions begin for the term or month on the evening of dates indicated below. Any aid awarded after the indicated start date will disburse each night thereafter, except on weekends and University holidays.

Students may view credits to their account the following morning on their [BruinBill](#). Disbursements are applied to unpaid charges before becoming eligible for refund. Unapplied credits are then processed for refund based on a student's enrolled refund [method](#).

Students are highly encouraged to enroll in for [BruinDirect](#) as this refund method will deposit funds to their enrolled bank account as early as 2-3 business days after disbursement date during regular academic year terms.

[BruinDirect](#) refunds are initiated each business day for regular session terms, whereas refunds initiate each Friday for Summer Sessions. Those not signed up for [BruinDirect](#) will be mailed a paper check produced on a weekly basis that relies on the accuracy of address information provided to UCLA.
